

| | | |
|-----------------------------------|--|----------|
| Module No | SL-M-60W | SL-M-60W |
| LED Output | 60W | 60W |
| Lumens | >=6000lm | >=6000lm |
| Beam Angle and Light Distribution | 140°/50 Equivalent brightness light distribution | |
| Color Rendering Index | Ra >= 95 | |
| Working Environment | -10—55°C 10%—90% RH | |
| Color Temperature | 2800K, 4000K, 5700K | |
| IP Rating | IP66 | |
| Working Time | Light Sensor + Time Setting | |
| PV Module Output | 120W | 180W |
| Capacity of Lithium Battery | 800Wh | 1200Wh |
| Light Construction | Modular | |
| Dimming Mode | Automatic or adjustable (set by remote-control) | |
